### ***From Belonging to Becoming: The Power of Loving People Like Jesus Did***

Has your church mastered the believe-and-become-before-you-belong paradigm of accepting people into their fellowship? What would happen if we put belonging first like Jesus did? The author, Mile Clarensaw asked himself this question and this resulted in a paradigm shift for his congregation. # Children's Ministries

Children's Ministries mission is about developing resources that foster the faith of children, aged from birth through to fourteen, to make them disciples. Children's Ministries department looks and works to equip churches, families, and every other person that may have any spiritual influence on the children, with resources and trainings to connect children to a lifelong, loving relationship with Jesus. To get such goals CHM seeks to provide ideas and activities for parents and their children that will lead them to Jesus and disciple them in their daily walk with Him. Our main wish is that every child may encounter Jesus as personal Saviour and best Friend.
